Easily Pay Invoice Online

Business Account · https://servingalcohol.com/kb/business/easily-pay-invoice-online/

This article explains how Business Account owners can easily pay their Serving Alcohol invoices online.

We will email your invoice toward the end of the month to staff members who have completed their certification course. You can easily pay online with a credit card or PayPal. Select the payment type, enter your personal or business credit card information, and click the big green "Pay" button with the dollar amount. That's it.

On the same page as the big green button, there is another button to the right: "View Invoice". Click on it to print out your invoice for your records. The notes section on the lower left side of the invoice shows the names of those you are paying for with this invoice. Let us know if you have any other questions or need anything.
