Information About Courses · https://servingalcohol.com/kb/info/contact-us-for-help-and-support/

We are always here to help you with any questions concerning alcohol certification or your bartender license. If you have a support question, we would love to hear from you.

Please use our **Contact Us** web portal. By using our Contact Us web portal, we can answer any and all questions. When you use our Contact Us portal, it will tell us the type of computer or device you are using as well as the web browser and its version. These are really important in getting you started or at any point along the way to getting your certificate.

Our site and courses are created to be completed on just about any computer, tablet, or cellphone. Any issues that you have usually come down to the type of device and web browser that you are using to get your certificate. When you send us a message through the **Contact Us** web portal, we will immediately respond to solve your particular issue so you can get certified as soon as possible.

Send us a message when you are ready by clicking the link below.
