Illinois Liquor Control Commission (ILCC) Is Not Mailing Basset License

Information About Courses · https://servingalcohol.com/kb/info/basset-license-mailed/

In the past, the Illinois Liquor Control Commission had mailed your official Basset license to your home address. But, recently, the Illinois Liquor Control Commission (ILCC) stated that they will not be sending the Basset license cards to your home address. We believe this is a temporary change as they have been instituting many changes and updates to their entire program.

Your Illinois Basset certificate from Serving Alcohol is legal and valid until and after the official Basset License arrives in your mail. If your address in the course profile is wrong or outdated, let us know so we can update the state's database.

Quick Information from ILCC:

- For BASSET card requests, please look your information up: Basset Card Download. Fill out the ILCC request form if your name and Student ID# are unavailable. ILCC Basset request form
