Your Date Of Birth Is Required

Information About Courses · https://servingalcohol.com/kb/info/date-of-birth-required/

We upload your data to the state Liquor Control Commission. The state does require your official date of birth to validate your alcohol certification. Without it, your alcohol certification will be invalid. Always include your official date of birth. We don't share your information with advertisers or creditors. It is only shared with governmental departments who oversee alcohol service.
