Receipt For Your Purchased Course

Information About Courses · https://servingalcohol.com/kb/info/purchase-receipt/

Immediately after your purchase, the system emails a receipt to your email inbox. Please, check your email inbox for your receipt. If it's not there, check your spam or junk folder. Sometimes, our emails are filtered out because of the word "alcohol".

A link to start your course is also in the receipt email if needed. You can always log in to your account and course by clicking the Sign In button at the top of our website. You can login and out of your course as many times as needed to complete your course over the next 6 months.

If you do not find the receipt that was emailed to you, let us know by sending a message through our Contact Us page
