Complete All Sections Of Your Course

Getting Started · https://servingalcohol.com/kb/start/complete-sections/

This article explains why you must complete all sections of your Serving Alcohol course.

You must complete each section of the course. The course has five sections before the final exam. Each section includes quiz questions. All quiz questions **must** be answered, or the course will not allow you to take the final exam. Hint: Most of the final exam questions will come directly from the quiz questions.

Have your audio turned on and up so you can hear the course read aloud for each page. The **1X** button at the top of the page lets you increase or decrease the voiceover speed.
